

Gospel Reading

Luke 19: verses 28 to 40

Jesus' Triumphal Entry into Jerusalem

After he had said this, he went on ahead, going up to Jerusalem.

When he had come near Bethphage and Bethany, at the place called the Mount of Olives, he sent two of the disciples, saying, 'Go into the village ahead of you, and as you enter it you will find tied there a colt that has never been ridden. Untie it and bring it here. If anyone asks you, "Why are you untying it?" just say this: "The Lord needs it."' '

So those who were sent departed and found it as he had told them. As they were untying the colt, its owners asked them, 'Why are you untying the colt?' They said, 'The Lord needs it.'

Then they brought it to Jesus; and after throwing their cloaks on the colt, they set Jesus on it. As he rode along, people kept spreading their cloaks on the road.

As he was now approaching the path down from the Mount of Olives, the whole multitude of the disciples began to praise God joyfully with a loud voice for all the deeds of power that they had seen, saying, 'Blessed is the king who comes in the name of the Lord! Peace in heaven, and glory in the highest heaven!'

Some of the Pharisees in the crowd said to him, 'Teacher, order your disciples to

stop.' He answered, 'I tell you, if these were silent, the stones would shout out.'

This is the word of the Lord.

All: Thanks be to God.

All Saints Church, Mackworth UPDATE Rebuilding Our Mission Project (ROMP)

I am pleased to update everybody that the rebuilding of our beautiful church is progressing well, and the roof will start going up in the next couple of months. The walls and roof rebuild phase is scheduled for completion by early 2027.

Meanwhile, after an extensive public consultation exercise, the Parochial Church Council (PCC) has submitted our plans to Derby Diocese for the design and reordering of the interior of the church for their consideration. This includes the design and choice of stained-glass windows, liturgical furniture and a new electric heating system.

We have also commissioned experts to repair the church bells and clock, and the intention is to do these repairs alongside the repair work to the tower and spire that needed to be done prior to the fire in December 2020. The PCC is exploring options for grant funding to make these works affordable so that the works can be done as part of the current walls and roof rebuild.

We have received feedback from the Church of England statutory consultation bodies, including Historic England, the Church Buildings Council and the Victorian Society, in relation to the interior design plans and the PCC is now responding to their queries.

We are expecting a response from the Diocese regarding our plans for the design and reordering of the interior of the church in the coming weeks. A storyboard has been set up on the church site that shows our plans for all passersby, and visitors to read at their leisure.
